December 17, 2012

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 1006-review.doc).

Title: Gastric adenocarcinoma arising in gastritis cystica profunda presenting with selective loss of KCNE2 expression

Author: Natsumi Kuwahara, Riko Kitazawa, Koto Fujiishi, Yusa Nagai, Ryuma Haraguchi, Sohei Kitazawa

Name of Journal: *World Journal of Gastroenterology*

ESPS Manuscript NO: 1006

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer (2)

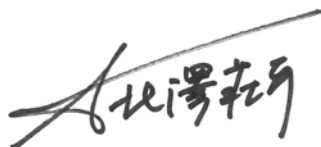

Comment: "In the conclusion the authors should add that these new data are important because they confirm previous experimental information but should be assessed in other similar cases."

-->We added a sentence in the conclusion that "We believe that these new data are important because they confirm previous experimental information, and should be assessed in other similar cases."

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Sohei Kitazawa, MD, PhD
