

Lublin, 12 July 2014

To whom it may concern,

This is to certify that the submitted manuscript entitled: **Heterotopic Pancreatic Tissue in Gastric Cardia: Case Report and Literature Review (WJG No. 10183)** is of the required grade A, which I can guarantee after 30 years working internationally as an editor and English language konsultant.

Signed:

A handwritten signature in black ink that reads "M. Tregenza". The signature is written in a cursive style and is underlined.

Michael Tregenza
