

June 6, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 10242-edited_6-6-14).

Title: Conducting Clinical Research in Community Mental Health Settings: Opportunities and Challenges

Author: Oleg V. Tcheremissine, Whitney E Rossman, Manuel A. Castro, Dineen R. Gardner

Name of Journal: *World Journal of Psychiatry*

ESPS Manuscript NO: 10242

The manuscript has been improved according to the suggestions of reviewers and the following revisions have been made according to the suggestions of the reviewer:

1. The summary of the abstract has been better defined and explained.
2. Further explained the importance of ecological designs and the gap in translation from “bench to the bedside” and strategies to avoid validity problems
3. Explained the internal validity of RCTs and translation to real world settings
4. Provided more detail on recruitment of various populations including minorities and non-English speaking patients.

Thank you again for publishing our manuscript in the *World Journal of Psychiatry*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Oleg Tcheremissine'.
