Criteria for authorship

The WJG requests and publishes information about contributions of each author named to the submitted study. Authorship credit should be based on (1) direct participation in the study, including substantial contributions to conception and design of study, or acquisition of data, or analysis and interpretation of data; (2) manuscript writing, including drafting the article, or revising it critically for important intellectual content; (3) supportive work, including statistical analysis of data, or acquisition of funding, or administration, technology and materials support, or supervision, or supportive contributions. Authors should meet at least one of the three conditions. The WJG does not publish co-first authors and co-corresponding authors.

We hereby assign copyright transfer to WJG if this paper is accepted.
