BAISHIDENG PUBLISHING GROUP INC COPYRIGHT ASSIGNMENT

Name of Journal: World Journal of Clinical Oncology

ESPS Manuscript No: 10587

Title: Risk Factors and Natural History of Breast Cancer in Younger Chinese Women

Authors (typed): Winnie Yeo, Hang-Mei Lee, Amy Chan, Emily YY Chan, Miranda CM Chan, Keeng-Wai Chan, Sharon WW Chan, Foon-Yiu Cheung, Polly SY Cheung, Peter HK Choi, Josette SY Chor, William WL Foo, Wing-Hong Kwan, Stephen CK Law, Lawrence PK Li, Janice WH Tsang, Yuk Tung, Lorna LS Wong, Ting-Ting Wong, Chun-Chung Yau, Tsz-Kok Yau, Benny CY Zee, on behalf of the Hong Kong Breast Cancer Foundation.

The authors would like to confirm the following:

1. The manuscript is not simultaneously being considered by other journals or already published elsewhere.
2. The manuscript has no redundant publication, plagiarism, or data fabrication or falsification.
3. The authors have no conflict of interest related to the manuscript.
4. All experiments involving human subjects were designed and performed in compliance with the relevant laws regarding the humane care and use of subjects.
5. The material contained within the manuscript is original, with all information from other sources appropriately referenced. Written specific permission granted by any existing copyright holders prior to publication is clearly cited and available.
6. The authors agree to transfer to Baishideng Publishing Group Inc exclusive copyright ownership for all formats of the manuscript (including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum), in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee; (2) printing copies for free distribution or for sale; and (3) republishing the materials in a compendium or in any other format. The author/s acknowledge that the Baishideng Publishing Group Inc. distributes the manuscript under the terms of the Creative Commons Attribution-NonCommercial License, which permits use, distribution, and reproduction in any medium, provided that the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.
7. There are no errors in grammar, syntax, spelling, punctuation, or logic.

8. All figures and tables have been correctly placed and clearly identified, and meet the journal's standards of high-resolution quality.
9. The references are numbered according to their order of appearance in the main text of the manuscript.
10. The declaration are signed by all authors individually and in his/her own handwriting, following the order of the author's names appearing on the title page of the manuscript.

Note: Each manuscript published in the *World Series* journals is allowed a single first author and a single corresponding author. Designation of co-first authors and co-corresponding authors is not permitted. Author's names listed on the title page must be typewritten in the following format: first (given) name in full followed by the first-letter of the middle (given) name and the last (family) name written out fully. Abbreviations of authors' names will use the format of last (family) name written out fully, followed by the first initials only of both the first and middle (given) names. For example, the author "Eamonn M Quigley" will use the abbreviated name of Quigley EM (Last name: Quigley; first and middle names: EM), and the author "Jin-Lei Wang" will use the abbreviated name of Wang JL (Last name: Wang; first and middle names: JL).

A GENTLE REMINDER: The Baishideng Publishing Group Inc. reminds all authors that instances of (1) plagiarism, (2) data fabrication and/or falsification, (3) redundant publication, and (4) misrepresentation about the qualifications for authorship are the responsibility of every author listed on a paper, *regardless of their intent of knowledge*. If an author suspects or is aware of any of these irregularities in their manuscript, it is strongly recommended that the authors immediately contact the journal and initiate withdrawal of the submission. Once a manuscript has been published online, withdrawal (retraction) of the paper due to the irregularities listed above will incur a charge of USD10,000.00 to compensate the publisher for the loss incurred. The online format of the manuscript will be withdrawn within four weeks of the request.

Designation of co-first authors and co-corresponding authors is not permitted. Author's names listed on the title page must be typewritten in the following format: first (given) name in full followed by the first-letter of the middle (given) name and the last (family) name written out fully. Abbreviations of authors' names will use the format of last (family) name written out fully, followed by the first initials only of both the first and middle (given) names. For example, the author "Eamonn M Quigley" will use the abbreviated name of Quigley EM (Last name: Quigley; first and middle names: EM), and the author "Jin-Lei Wang" will use the abbreviated name of Wang JL (Last name: Wang; first and middle names: JL).

A GENTLE REMINDER: The Baishideng Publishing Group Inc. reminds all authors that instances of (1) plagiarism, (2) data fabrication and/or falsification, (3) redundant publication, and (4) misrepresentation about the qualifications for authorship are the responsibility of every author listed on a paper, *regardless of their intent of knowledge*. If an author suspects or is aware of any of these irregularities in their manuscript, it is strongly recommended that the authors immediately contact the journal and initiate withdrawal of the submission. Once a manuscript has been published online, withdrawal (retraction) of the paper due to the irregularities listed above will incur a charge of USD10,000.00 to compensate the publisher for the loss incurred. The online format of the manuscript will be withdrawn within four weeks of the request.

8. All figures and tables have been correctly placed and clearly identified, and meet the journal's standards of high-resolution quality.
9. The references are numbered according to their order of appearance in the main text of the manuscript.
10. The declaration are signed by all authors individually and in his/her own handwriting, following the order of the author's names appearing on the title page of the manuscript.

Note: Each manuscript published in the *World Series* journals is allowed a single first author and a single corresponding author. Designation of co-first authors and co-corresponding authors is not permitted. Author's names listed on the title page must be typewritten in the following format: first (given) name in full followed by the first-letter of the middle (given) name and the last (family) name written out fully. Abbreviations of authors' names will use the format of last (family) name written out fully, followed by the first initials only of both the first and middle (given) names. For example, the author "Eamonn M Quigley" will use the abbreviated name of Quigley EM (Last name: Quigley; first and middle names: EM), and the author "Jin-Lei Wang" will use the abbreviated name of Wang JL (Last name: Wang; first and middle names: JL).

A GENTLE REMINDER: The Baishideng Publishing Group Inc. reminds all authors that instances of (1) plagiarism, (2) data fabrication and/or falsification, (3) redundant publication, and (4) misrepresentation about the qualifications for authorship are the responsibility of every author listed on a paper, *regardless of their intent of knowledge*. If an author suspects or is aware of any of these irregularities in their manuscript, it is strongly recommended that the authors immediately contact the journal and initiate withdrawal of the submission. Once a manuscript has been published online, withdrawal (retraction) of the paper due to the irregularities listed above will incur a charge of USD10,000.00 to compensate the publisher for the loss incurred. The online format of the manuscript will be withdrawn within four weeks of the request.

8. All figures and tables have been correctly placed and clearly identified, and meet the journal's standards of high-resolution quality.
9. The references are numbered according to their order of appearance in the main text of the manuscript.
10. The declaration are signed by all authors individually and in his/her own handwriting, following the order of the author's names appearing on the title page of the manuscript.

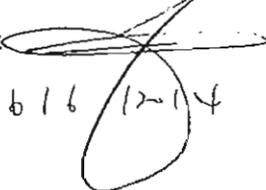

Note: Each manuscript published in the *World Series* journals is allowed a single first author and a single corresponding author. Designation of co-first authors and co-corresponding authors is not permitted. Author's names listed on the title page must be typewritten in the following format: first (given) name in full followed by the first-letter of the middle (given) name and the last (family) name written out fully. Abbreviations of authors' names will use the format of last (family) name written out fully, followed by the first initials only of both the first and middle (given) names. For example, the author "Eamonn M Quigley" will use the abbreviated name of Quigley EM (Last name: Quigley; first and middle names: EM), and the author "Jin-Lei Wang" will use the abbreviated name of Wang JL (Last name: Wang; first and middle names: JL).

A GENTLE REMINDER: The Baishideng Publishing Group Inc. reminds all authors that instances of (1) plagiarism, (2) data fabrication and/or falsification, (3) redundant publication, and (4) misrepresentation about the qualifications for authorship are the responsibility of every author listed on a paper, *regardless of their intent of knowledge*. If an author suspects or is aware of any of these irregularities in their manuscript, it is strongly recommended that the authors immediately contact the journal and initiate withdrawal of the submission. Once a manuscript has been published online, withdrawal (retraction) of the paper due to the irregularities listed above will incur a charge of USD10,000.00 to compensate the publisher for the loss incurred. The online format of the manuscript will be withdrawn within four weeks of the request.
