2. This paper is not for editorial but for topic highlight which has no restriction on number of words, figures (color, B/W), tables, references, I believe.
3. Format of references has been updated.
4. Format of legends of figures has been updated.

To Reviewer 00505064

Thank you for your valuable advices.

1. According to the reviewer's advice, I have added the paragraph on future development.
2. The quality of the photos of endoscopy is limited compare to that of the microscope. I use the endoscopic photo with the best quality at this moment.

Thank you again for publishing our manuscript in the *World Journal of Ophthalmology*.

Sincerely yours,
