CERTIFICATE OF EDITING

This is to certify that the paper of **Dr. Hisada et al** entitled, “**Complete laparoscopic resection of the rectum using natural orifice specimen extraction**” has been comprehensively reviewed and edited for English language by native English-speaking medical editors from the Department of International Medical Communications (DIMC) at Tokyo Medical University, Tokyo, Japan to meet the language standards required by leading English language publications.

The editing did not involve any alteration of the research content or the author's intentions. DIMC guarantees the quality of the English language of this paper, provided that further changes have not been made by the author(s) before submission.

Certified by:

Clifford Andrew Kolba, Ed.D., D.O., M.P.H.
