

## Format for ANSWERING REVIEWERS

May 21, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 10921-review.doc).

**Title:** Adherence to immunosuppressor medication in renal transplanted patients

**Author:** Francisco Ortega, Carmen Díaz-Corte, Covadonga Valdés

**Name of Journal:** *World Journal of Clinical Urology*

**ESPS Manuscript NO:** 10921

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) 00503255. Specific comments: 1. Abbreviations should be defined on the first mention in the text. The author did not provide full spelling of the following abbreviations on the first mention: HRQoL, QALY, PPY, PCS, MCS and RTRs. 2. The author described "et al." in most points but "et al" in some in the text. 3. page 7, line 22-23: No conjunction is found between two sentences. 4. page 10, line 24: "QUALY" should be changed to "QALY".

Specific comments have been corrected.

(2) 02929391. It will be interesting a longer discussion about the possible reasons of the higher risk of non-compliance in those patients receiving the graft from a healthy donor.

A longer discussion has been implemented.

(3) 00503176. Corrections are not asked.

.....

Thank you again for publishing our manuscript in the *World Journal of Clinical Urology*.

Sincerely yours,

A handwritten signature in black ink, appearing to be 'F. Ortega', written over a horizontal line.
