

## Format for ANSWERING REVIEWERS

May 27, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: Revised Manuscript 10964-edited.doc).

**Title:** Preventing medication errors in Neonatology: is it a dream?

**Author:** Roberto Antonucci, Annalisa Porcella

**Name of Journal:** *World Journal of Clinical Pediatrics*

**ESPS Manuscript NO:** 10964

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated.
2. Revision has been made according to the suggestions of the reviewer 00742221:  
*"The review analysis is quite good and well written. I would like to report data from your and other center if you improved medical errors."*
  - (a) Thank you very much for your comments and helpful suggestions which are highly appreciated.
  - (b) With reference to your request to report data from my center, please note that these data are not available at the moment but will be the subject of my next paper.
  - (c) As regards data from other centers, I am hereby enclosing **an additional table** (table 2) including selected literature data on epidemiology of medication errors.
3. Revision has been made according to the suggestions of the reviewer 02495532:  
*"It is important to highlight this subject from time to another. There are some spelling mistakes/errors need to be corrected."*
  - (a) Thank you very much for your helpful suggestions which have helped me to improve the quality of my paper.
  - (b) A careful language revision of the paper has been carried out by a native speaker of English.
4. References and typesetting have been corrected.

Thank you again for publishing our manuscript in the *World Journal of Clinical Pediatrics*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Roberto Antonucci'.
