Dear Editor

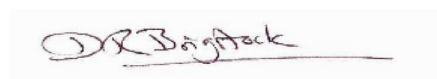

**Title: Focal Autoimmune Pancreatitis and Chronic Sclerosing Sialadenitis
Mimicking Pancreatic Cancer and Neck Metastasis**

Authors: Li Sun, Qiang Zhou, David R Brigstock, Su Yan, Yan-Hang Gao, Run-Ping Gao

I am a citizen of the United States and I have worked in the Research Institute at Nationwide Children's Hospital, Columbus, Ohio, USA more than twenty years. I, as a co-author, have edited and revised this manuscript.

I guaranteed that the language of our manuscript has reached Grade A, which fully met the English requirements of the WJG.

Sincerely,

David R Brigstock, PhD Professor
Native English expert & co-author of manuscript
