## Editor Comments

**Job No.:** 7023718

**Job Title:** Impact of Discontinuing NSAIDs on Long-term Recurrence...

The new parts of your manuscript have been comprehensively edited, and elsewhere the text has been checked to ensure consistency and logical flow. Please check the text carefully, especially the area in yellow.

If you have any questions about the manuscript, or if you would like me to check any final changes you make to the wording, please let me know. However, if you will proceed directly to submission, I wish you well with this.

I look forward to working with you again.
