#### **DECLARATION**

**The authors of this article declare that**

1. The manuscript is not simultaneously being considered by other journals or already published elsewhere;
2. The manuscript has no redundant publication, plagiarism, or data fabrication or falsification;
3. The authors have no conflict of interest related to the manuscript;
4. The material contained within the manuscript is original, with all information from other sources appropriately referenced;
5. The authors agree to transfer to Baishideng Publishing Group Inc exclusive copyright ownership for all formats of the manuscript (including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum), in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee; (2) printing copies for free distribution or for sale; and (3) republishing the materials in a compendium or in any other format. The authors acknowledge that the Baishideng Publishing Group Inc distributes the manuscript under the terms of the Creative Commons Attribution-Non Commercial License, which permits use, distribution, and reproduction in any medium, provided that the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.
6. The authors agree to publish the related documents (peer review report, answering reviewers, CrossCheck report, signed copyright assignment, *etc.*) of the manuscripts at the same time the manuscript is published online;
7. The references are numbered according to their order of appearance in the main text
