

August 01, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: Torsion of Meckels diverticulum as a cause of small bowel obstruction a case report – review.doc).

Title: Torsion of Meckel's diverticulum as a cause of small bowel obstruction: a case report.

Author: Marko Murruste, Geidi Rajaste, Karri Kase.

Name of Journal: *World Journal of Gastrointestinal Surgery*

ESPS Manuscript NO: 11789

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) Running title is added

(2) Address and contacts are corrected

(3) Abstract is improved as it was suggested by the reviewer, now it is more concise including the main symptoms, diagnostic procedures and recommendation in diagnose and therapy.

(4) Now the figures are incorporated and in bracket.

(5) In discussion we comment that delayed diagnosis and surgery of intestinal obstruction can lead to necrosis.

Thank you for publishing our manuscript in the *World Journal of Gastrointestinal Surgery*.

Sincerely yours,

Marko Murruste, MD
