was reviewed on 22 July 2014 by an mt-g translator

mt-g medical translation gmbh & Co. KG
Stuttgarter Str. 155
89075 Ulm
Germany

mt-g medical translation GmbH & Co. KG is a professional translation agency specialized in the fields of pharmaceuticals, medicine and biomedicine. The company is ISO 9001 certified and offers fast and high quality work. Our translators are practicing doctors, pharmacologists, pharmacists, biologists, chemists and biomedical engineers, from all over the world. mt-g ensures that texts and documents on a wide range of subjects and in many different languages are translated with scientific and linguistic accuracy.

Kind regards from Ulm,
mt-g medical translation gmbh & Co. KG
