

January 4, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 1197-review.doc).

**Title:** Esophageal lichen planus: a case report and review of the literature

**Authors:** Jennifer A Nielsen, Robert M Law, Keith H Fiman, and Cory A Roberts

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 1197

The manuscript has been improved according to the suggestions of reviewers:

1 The title has been changed to better reflect the content of the paper.

2 The text has been expanded to include a detailed discussion on differential diagnoses such as toxic damage (mycophenolate-associated injury), Graft-versus-host disease, esophageal pemphigus vulgaris, viral infection, and pityriasis lichenoides chronica.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

A handwritten signature in blue ink, consisting of a large, sweeping loop followed by a horizontal line and a small upward tick at the end.
