

Name of Journal- World journal of gastroenterology

ESPS manuscript No-1198

Title- Nodular regenerative hyperplasia related portal hypertension in a patient with hypogammaglobulinaemia

All authors full name- Barun Kumar Lal, Adrian Stanley

Dear editor,

This is to confirm that the above manuscript is not simultaneously being considered by other journal and has no redundant publication, plagiarism, data fabrication or falsification. There is no conflict of interest in the paper. The material contained in the manuscript is original, except when appropriately referred to other sources.

We agree to Baishideng publishing group Co; Limited all rights of the manuscript including 1. All copyright ownership in all print and electronic formats; 2. The right to grant permission to republish or reprint the stated material in whole or in the part, with or without a fee. 3. The right to print copies for free distribution or sale; and 4. The right to republish the stated material in a collection of articles or any other format.

To best of my knowledge, there are no grammar, syntax, spelling, punctuation or type error. The figures have been correctly placed and clearly indicated. The references are numbered in the order they appear in the text.
