## COPYRIGHT ASSIGNMENT

World Journal of Rheumatology

**Title: What is the best biological treatment for rheumatoid arthritis? A systematic review of effectiveness**

The manuscript is not simultaneously being considered by other journals or already published elsewhere.

The manuscript has no redundant publication, plagiarism, or data fabrication or falsification.

The authors have no conflict of interest related to the manuscript.

The material contained within the manuscript is original, with all information from other sources appropriately referenced.

The authors agree to transfer to Baishideng Publishing Group Inc exclusive copyright ownership for all formats of the manuscript (including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum), in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee; (2) printing copies for free distribution or for sale; and (3) republishing the materials in a compendium or in any other format. The author/s acknowledge that the Baishideng Publishing Group Inc distributes the manuscript under the terms of the Creative Commons Attribution-NonCommercial License, which permits use, distribution, and reproduction in any medium, provided that the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.

There are no errors in grammar, syntax, spelling, punctuation, or logic.

All figures and tables have been correctly placed and clearly identified, and meet the journal's standards of high-resolution quality.

The references are numbered according to their order of appearance in the main text of the manuscript.
