

## Format for ANSWERING REVIEWERS

August 24, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 12602-review.doc).

Title: HBV and HIV co-infection: Impact on liver pathobiology and therapeutic approaches

**Author:** Mohammad Khalid Parvez

**Name of Journal:** *World Journal of Hepatology*

**ESPS Manuscript NO:** 12602

The manuscript has been improved according to the suggestions of reviewers:

1 The paragraph on the suggested 'variable effective therapeutic options in HBV and HIV co-infection' is revised with more information, including references (highlighted in red).

2 Revision has been made according to the suggestions of the reviewer

(1) As suggested, a figure to show HBV and HIV co-infection of liver the interaction between HBV and HIV, is included (last page).

(2) Since this manuscript is prepared as a 'mini-review' detailed information on different topics are not provided. However, a role of CD4<sup>+</sup> cell counts in co-infected cases that play a key role in liver injury, pathogenesis and disease progression, are discussed briefly in the text.

(3) The typographic and grammar mistakes in the text are corrected (highlighted in red).

.....

3 References and typesetting were corrected

New references are added and updated in the 'References' section, (highlighted in red).

Thank you again for publishing our manuscript in the *World Journal of Hepatology*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'M. Khalid Parvez'.
