Columns: REVIEW

## **Coronal shear fractures of the distal humerus**

Shahram S Yari, Nathan L Bowers, Miguel A Craig, Lee M Reichel

### **Conflict-of-interest:**

To the editors and reviewers of the World Journal of Clinical Cases:

Dear sir/madam,

I'm writing this conflict of interest statement in regard to submission of a review article (ESPE Manuscript NO: 12946) for publication in the World Journal of Clinical Cases.

I certify that the authors of the manuscript did not receive funding, grants, or in-kind support in support of the research or the preparation of the manuscript. The authors do not have any association or financial involvement with any organization or commercial entity having a financial interest in or financial conflict with the subject matter or research presented in the manuscript.

Shahram S. Yari: This author, their immediate family, and any research foundation with which they are affiliated did not receive any financial payments or other benefits from any commercial entity related to the subject of this article.

Nathan L. Bowers: This author, their immediate family, and any research foundation with which they are affiliated did not receive any financial payments or other benefits from any commercial entity related to the subject of this article.

Miguel A. Craig: This author, their immediate family, and any research foundation with which they are affiliated did not receive any financial payments or other benefits from any commercial entity related to the subject of this article.

Lee M. Reichel: This author, their immediate family, and any research foundation with which they are affiliated did not receive any financial payments or other benefits from any commercial entity related to the subject of this article.

We hope that you will consider this review article for publication in your journal.

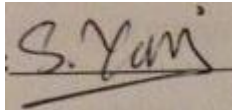

Sincerely,

Lee M Reichel, MD
