

January 26, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 1305-review.doc).

**Title:** Endovascular treatment of carotid cavernous sinus fistula: A systematic review

**Author:** Bora Korkmazer, Burak Kocak, Ercan Tureci, MD, Civan Islak, Naci Kocer, Osman Kizilkilic

**Name of Journal:** *World Journal of Radiology*

**ESPS Manuscript NO:** 1305

We have activated the "track changes" feature of WORD document to track changes that we have made easily.

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated.
2. Revision has been made according to the suggestions of the reviewer.
  - (1) 4 tables mentioning about symptoms-signs, differential diagnosis, indications for emergency treatment, and treatment modalities have been added into the manuscript.
  - (2) Table 1 listing the signs and symptoms of carotidocavernous fistula has been added into the third paragraph of section 3 (Pathophysiology and Symptoms).
  - (3) Table 2 listing the differential diagnosis of carotidocavernous fistula has been added into the section 4 (Diagnostic Imaging and Pretherapeutic Evaluation) under the topic of "Differential Diagnosis".
  - (4) Table 3 listing the indications for emergency treatment of carotidocavernous fistula has been added into the last paragraph of section 5 (Indications for Emergency Treatment).
  - (5) Table 4 mentioning about the treatment modalities of carotidocavernous fistula has been added into the first paragraph of section 6 (Treatment Modalities).
3. All the manuscript has been reviewed by a native-English speaker.

Thank you again for publishing our manuscript in the *World Journal of Radiology*.

Sincerely yours,

Osman Kizilkilic, MD
