### **CERTIFICATE OF ENGLISH EDITING CERTIFICATE OF ENGLISH EDITING**

#### **To whom it may concern,**

This is to certify that the paper with the provisional title “Esophageal variceal pressure influence on the effect of ligation” has been edited for language by Pubsci Limited Company. Neither the research content nor the author’s intentions were altered in any way during the editing process. Pubsci guarantees the quality of English language in this paper. Our editor’s changes are accepted and further changes made to the paper are checked. The medical editor who edited the manuscript has been a professional editor and writer for several years and is a member of American Medical Writers Association.

by our editor, Nikesh Gosalia
