Name of Journal: *World Journal of Virology*

ESPS Manuscript NO: 1368 (DOC name: ESPS_Manuscript_N0_1368-Review_GradeA)

Title: Viral manipulation of cellular protein conjugation pathways: the SUMO lesson

All Authors' Full Name (typed): Domenico Mattoscio, Chiara V. Segré and Susanna Chiocca

Dear Editor,

To the best of my knowledge there are no grammar, syntax, spelling, punctuation or logic errors and thus our manuscript has reached a Grade A.

Thank you again for publishing our manuscript in the *World Journal of Virology*.

Sincerely yours,

Susanna Chiocca, Ph.D.
