

## Format for ANSWERING REVIEWERS

November 14, 2014

Dear Editor,

Sub: Submission of invited revised review article-reg.

Ref: ESPS Manuscript NO: 13682

**Title:** “Endothelial dysfunction in cirrhosis: Role of inflammation and oxidative stress”

**Author:** Balasubramaniyan Vairappan

**Name of Journal:** *World Journal of Hepatology*

**ESPS Manuscript NO:** 13682

### Reply to Editor queries

1. As suggested, a **short running title** has been given in the revised manuscript (page 1, above the correspondence details) and the same has highlighted as yellow.
2. As suggested, **decomposable figure** version is given and the same can be made by ppt.
3. **Table I** exact location is included in the revised manuscript, page 7 (highlighted as yellow), above the subheading of TNF-alpha, as suggested.
4. **Table II** exact location is included in the revised manuscript, page 12 (highlighted as yellow) under the heading of Emerging therapy for reversal of hepatic ED in cirrhosis.
5. **Figure 1 Legend** has been given in page 16, since a decomposable figure is attached separately.

Thank you again for publishing our manuscript in the *World Journal of Hepatology*.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'V. Balasubramaniyan Vairappan'.
