COPYRIGHT ASSIGNMENT

The authors of the manuscript NO 13855 entitled "Challenges in pediatric renal transplantation" Licia Peruzzi, Alessandro Amore and Rosanna Coppo

Declare that

- 1 The manuscript is not simultaneously being considered by other journals or already published elsewhere.
- 2 The manuscript has no redundant publication, plagiarism, or data fabrication or falsification.
- 3 The authors have no conflict of interest related to the manuscript.
- 4 There are no experiments involving animals and humans since this is a review article.
- 5 The discussion and interpretation of data present in the literature included in the manuscript is original, and due to the review characteristics of the article all the information from other sources are appropriately referenced.
- 6 The authors agree to transfer to Baishideng Publishing Group Inc exclusive copyright ownership for all formats of the manuscript (including print and electronic formats, English and non-English language formats, and subsequent editions such as Erratum), in addition to all rights for (1) granting permission to republish or reprint the materials in whole or in part, with or without a fee; (2) printing copies for free distribution or for sale; and (3) republishing the materials in a compendium or in any other format. The authors acknowledge that the Baishideng Publishing Group Inc distributes the manuscript under the terms of the Creative Commons Attribution-NonCommercial License, which permits use, distribution, and reproduction in any medium, provided that the original work is properly cited, the use is non-commercial and is otherwise in compliance with the license.
- 7 There are no errors in grammar, syntax, spelling, punctuation, or logic.
- 8 There are no figures and tables
- 9 The references are numbered according to their order of appearance in the main text of the manuscript.
