

November 12, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: WJG 14038 Revision.doc).

**Title: A Rare Case of *H.pylori*-positive Multiorgan IgG4-Related Disease and Gastric Cancer**

**Author:** Min Li, Qiang Zhou, Kun Yang, David R Brigstock, Lu Zhang, Ming Xiu, Li Sun , Run-Ping Gao

**Name of Journal:** World Journal of Gastroenterology

**ESPS Manuscript NO:** 14038

The manuscript has been improved according to the suggestions of reviewers:

- 1 Format has been updated
- 2 Revision has been made according to the suggestions of the reviewer

(1) To 01047292

As you pointed out, more discussion on the pathogenesis between H.Pylori and auoimune pancreatitis has been added to discussion section (3rd paragraph) of the revised manuscript.

As you pointed out, I wrote more sentences regarding to the relationship among IgG4 level, steroid treatment, and the clinical presentation/imaging findings. This was added to discussion section (4th paragraph) of revised manuscript.

- 3 References and typesetting were corrected

Thank you again for publishing our manuscript in the World Journal of Gastroenterology.

Sincerely yours,

Runping Gao, MD, PhD
