

ANSWERING REVIEWERS

August 25, 2012

Dear Editor, **Clara Balsano, PhD & Wan-Long Chuang, MD, PhD**

Please find enclosed the edited manuscript in Word format (file name: ARTICLE 14076 v4.5.docx).

Title: MicroRNAs dysregulation in hepatocellular carcinoma: insights in genomic medicine

Author: Iván Lyra-González, Laura E Flores-Fong, Ignacio González-García, David Medina-Preciado, Juan Armendáriz-Borunda

Name of Journal: *World Journal of Hepatology*

ESPS Manuscript NO: 14076

The manuscript has been improved according to the suggestions of reviewers:

1. Please sign the conflict of interests statement

The statement was signed by all authors and included in the new version of the manuscript.

2. Add a new abstract with 200 words

Done

3. Add keywords

Keywords were included in the manuscript

4. Add core tip

We formulated a core tip stating the major thrust of our paper

5. New format of the number of reference in the text

The modification was realized according with your specifications

6. Add PMID and DOI to each reference

PMID, DOI and all authors were included in each reference according to your observations

7. There are some problems in references

All references have been corrected and all problems solved

Thank you again for publishing our manuscript in the *World Journal of Hepatology*

Sincerely yours,

Dr. Juan Armendariz-Borunda, PhD,
Head, Department of Molecular Biology and Genomics,
CUCS, University of Guadalajara,
Sierra Mojada # 950, Guadalajara, Jalisco
