

## ANSWERING REVIEWERS

October 20, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (Manuscript\_14080).

**Title:** Neoadjuvant chemoradiotherapy for locally advanced rectal cancer: the debate continues"

**Author:** Francesca De Felice, Daniela Musio, Vincenzo Tombolini

**Name of Journal:** *World Journal of Gastrointestinal Oncology*

**ESPS Manuscript NO:** 14080

The manuscript has been improved according to the suggestions of reviewers:

According to the suggestions of the reviewer (You wrote: There is not a single randomized study that have shown a non statistically benefit from adding OXP to standard neoadjuvant chemoradiotherapy... I think that a clearer way to tell the concept is needed), we corrected in "There are not randomized studies that have shown a statistical benefit from adding OXP to standard neoadjuvant chemoradiotherapy"

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastrointestinal Oncology*

Sincerely yours,

Francesca De Felice
