

## ANSWERING REVIEWERS

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 14129.doc).

**Title:** Down-regulation of Aquaporin3 Expression by Lipopolysaccharide via P38/JNK Signaling Pathways in HT-29 Cells

**Author:** Fengxia Li, Lizhen huang, Chuan Dong, Junping Wang, Hongjuan Wu, Shao-min Shuang

**Name of Journal:** *World Journal of Gastroenterology*

**ESPS Manuscript NO:** 14129

The manuscript has been improved according to the suggestions of reviewers:

1. Please revise the title with digestion-related words included, such as colon, of no more than 12 words. Thank you!

Reply: The title has been revised as “Down-regulation of Aquaporin3 Expression by Lipopolysaccharide via P38/JNK Signaling Pathways in HT-29 Cells”.

2. Please write a running title of less than 6 words. See the format in the attachment. Thank you.

Reply: Lipopolysaccharide decreases aquaporin3 via P38/JNK in HT-29 cells

3. Please provide the telephone and fax number.

Reply: +860351-4961994

4. A list of 5–10 keywords should be given below the abstract, each separated by a semicolon (;).

Reply: Aquaporin3 ; Lipopolysaccharide; HT-29 cells; MAPKs signaling pathway; colon

5. Abstracts for original contributions should be structured into the following sections. AIM (no more than 20 words): Only the purpose should be included. Please write the aim as the form of “To investigate/study/...; METHODS (no less than 80 words); RESULTS (no less than 120 words): You should present P value where necessary and must provide relevant data to illustrate how it is obtained, e.g.  $6.92 \pm 3.86$  vs  $3.61 \pm 1.67$ ,  $P < 0.001$ ; CONCLUSION (no more than 26 words, in a definite, conclusive, and short statement, not indefinite, vague, or suggestive sentences).

Reply: The abstract has been revised.

6. Please reformat all the reference numbers like this one (superscript with square brackets). Please check throughout. Normal line space is required. Thank you!

p.s: Don't need blank space between reference number and the before words.

Please put the punctuation behind reference. Please check throughout. Thank you!

Reply: All the references numbers and the reference have been reformatted throughout the manuscript.

7. Please add PubMed citation numbers and DOI citation to the reference list and list all authors. Please revise throughout. For those references that have not been indexed by PubMed, a printed copy of the first page of the full reference should be submitted.

PMID (<http://www.ncbi.nlm.nih.gov/entrez/query.fcgi?db=PubMed>)

DOI (<http://www.crossref.org/SimpleTextQuery/>) (Please begin with DOI: 10.\*\*)

Reply: All the PubMed citation number and DOI citation to the reference list and all the authors of the reference have been supplied.

8. (Fig 1) Please provide the clean figures without A,B or C on it.

Reply: A and B have been deleted from the figures.

9.(Fig 2) The coordinate graphs supplied should be decomposable(each part of your figure could be moved so as to easily edited). You can send it as excel, word or powerpointformat so that I can edit them easily.

Reply: The original figures have been supplied.

10. The coordinate graphs supplied should be decomposable (each part of your figure could be moved so as to easily edited). You can send it as excel, word or powerpointformat so that I can edit them easily.

Reply: The original figures have been supplied.

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,
