This work has been conducted recruiting patients under a 'Compassionate Use' Program. In Spain this kind of treatment is legislated by the Royal Spanish Decree 1015/2009, 19th of July. We had to make an individual request for every patient to the Spanish Agency for Medicines and Health Products (AEMPS). Consents were signed by the attending surgeon and the patient.

A handwritten signature in blue ink, appearing to be 'H. Guadalajara', written over a horizontal line.

Dr. H. Guadalajara, M.D.
