

World Journal of Gastroenterology

Editorial Office

27<sup>th</sup> September 2014

My name is Ines Rubio-Perez, and I am co-author of the paper entitled: "Limited surgery supported by Stem Cells under a 'Compassionate Use' Program: A new strategy in the treatment of recurrent anal fistulae" by Damian Garcia-Olmo, Hector Guadalajara Labajo, Ines Rubio-Perez, Dolores Herreros Marcos, Paloma De-La-Quintana and Mariano Garcia-Arranz.

I have revised and checked the manuscript for English grammar and style and I believe language quality complies with standards for publication in your journal.

I am certified with the University of Cambridge Certificate of Proficiency in English (RefNo: 996ES0248407. June 1999. Madrid, Spain. Grade A) and with the optional additional papers in Literature and Translation (RefNo: 006ES0248463. June 2000. Madrid, Spain. Grade B).

Yours sincerely,

Ines Rubio-Perez.
