Dear editor

Please find enclosed the edited manuscript in Word format (file name 14505- review. doc)

Title: Oral Graft versus Host Disease: an immune system disorder in Hematopoietic Cell Transplantation

Author: Paulo Sérgio da Silva Santos, Cassia Maria Fischer Rubira, Héilton Spíndola Antunes, Fabio Luiz Coracin, Cristiane Miranda França

ESPS Manuscript NO:14505

The manuscript has been improved according to the suggestions of reviewers:

Reviewer **00742049**

The text was reviewed by an English translation company. The text in the discussion of malignancies has been revised and corrected. We insert a panel with clinical images of GVHD.

Reviewer **00742421**

We revised and corrected the structured abstract.

Reviewer **00742409**

We insert a subitem in the discussion about the risk of infection and bleeding enough among complications of the GVHD.

Reviewer **14505**

- 1) The text was reviewed by an English translation company
- 2) We used the all abbreviation after definition when it first appeared
- 3) The strip preparations appeared in Fig. 2 and 3 are originals. The information are in the legends above the figures.

Thank you again for publishing our manuscript in the *World Journal of Stomatology*.

Best Regards
