

Hôpital général juif
Jewish General Hospital

January 19, 2015

I, Marylise Boutros, certify that Abbas Kezouh, a biostatistician at the Jewish General Hospital Lady Davis Institute, has reviewed the statistical report found in this manuscript titled "Operative management of acute diverticulitis in immunosuppressed compared to immunocompetent patients: a systematic review" on this January 19, 2015.

Sincerely,

Marylise Boutros, MD
