

Dear Editor!

Subject: Statement of non native speaker

As previously stated for publication of, Incidence and analysis of radial head and neck fractures, by **Kovar FM** et al. World J Orthop. 2013 Apr 18;4(2):80-4. doi: 10.5312/wjo.v4.i2.80. Print 2013 Apr 18. I think the qualification as a non native speaker should be out of discussion.

I am currently member of the Editorial Board of your journal, I have 15 publications as first or senior author, and 11 as co-author, all listed in Pub Med. I was a research fellow at Sinai Hospital, R.I.A.O, MD, USA, and gave several international lectures in the last years.

If you have any further questions relating tot hat issue, feel free to contact me.

Best regards

Florian M. Kovar, MD, Univ.-Lektor
