Paper Title: Natural history of Epithelial Ovarian Cancer and its relation to surgical and medical treatment

Dear Dr. De Iaco,

Please find enclosed the completed review of the above mentioned paper.

I have also reviewed the Response to Reviewer's letter and the Figures which you also sent me.

As requested by the Editors of the World Journal of Obstetrics and Gynecology I can confirm that this review and edit has been carried out by myself as part of my work as a freelance English/Italian translator, interpreter and medical paper proof-reader.

If the editors of the Journal require any further information regarding the format of my review please ask them to contact me directly. My contact details are at the top of the page.

Many thanks.

Yours sincerely,

Julie Norbury
