Prof. Giuseppe Di Lorenzo, MD, PhD

Editor-in-Chief,

World Journal of Clinical Cases

Name of journal: World Journal of Clinical Cases

ESPS Manuscript NO: 14672

Dear Prof. Di Lorenzo:

I am resubmitting my manuscript, entitled “**Is Takotsubo syndrome in patients receiving chemotherapy drug-specific?**”, for consideration for publication in the World Journal of Clinical Cases. I entered this version of the manuscript, without any change because the automated system asked me for a revision. However the 2 reviewers did not have any inquiry for me to address; thus I thanked them in a letter to the Reviewers. I have e-mailed all the documents to Fang-Fang Ji, Science Editor, Editorial Office. Most probably there is some misunderstanding on my part, for which I apologize.

Thanking you for your consideration.

Warmest Regards,

John E. Madias, MD, FACC, FAHA
