

Conflict-of-interest: Dr. Christine L Vigeland is an employee of the Johns Hopkins University School of Medicine. Dr. Maureen R Horton is an employee of the Johns Hopkins University School of Medicine and has received research funding from NIH, FAMRI, American Asthma Foundation, Hoffman-Roche, and InterMune.

A handwritten signature in black ink, appearing to read 'M. R. Horton', with a stylized flourish at the end.

Correspondence to: Maureen R Horton, MD, Division of Pulmonary and Critical Care Medicine, Johns Hopkins University School of Medicine, 1830 East Monument Street, Fifth Floor, Baltimore, MD 21205, United States.
