Dear Editor

On behalf of me and other co-authors I guarantee the language level of presentation of our manuscript ESPS NO: **14713** entitled "**A Review on Immunosuppression in Liver Transplantation**". The two co-authors rather than I are native English speakers who revised the manuscript. The final revision and edition was done carefully by the 2nd author who is a native English speaking Professor.

Sincerely yours,

Maryam Moini, MD,
