

December 22, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 14713-review.docx) and the Figure in Power Point Presentation format (14713-Fig-1.pptx)

Title: A Review on Immunosuppression in Liver Transplantation

Authors: Maryam Moini, Michael L. Schilsky, Eric M. Tichy

Name of Journal: *World Journal of Hepatology*

ESPS Manuscript NO: 14713

The manuscript has been improved according to the suggestions of reviewers:

1. Format has been updated
2. Revision has been made according to the suggestions of the reviewers with special thanks and appreciation for their great review and highly valuable comments.

Reviewer 1:

1. The utility of everolimus in HCC corrected in the text.
2. References added to the table-1
3. The part "pediatric patients" added to Immunosuppression in Specific Liver Transplantation Populations.
4. More explanation was given for customizing immunosuppression in individual patient in the summery part.
5. Manuscript was carefully reviewed and corrected for typo mistakes.

Reviewer 2:

1. All 31 comments were applied in the text, including adding paragraph 5 in the introduction part about immunosuppression in living donor liver transplantation. Also the year of daclizumab withdrawal from US market (comment 7) was included in the text.
3. References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of hepatology*.

Sincerely yours,

Maryam Moini, MD, 

Gastroenterohepatology Research Center,

Nemazee Hospital, Zand Street, Shiraz, Iran
