Gliwice, 6th Nov 2009

Jerzy Wydmański, MD, PhD, Associate Professor
Department of Radiotherapy
Centre Of Oncology – Institute
Gliwice Branch

The Bioethics Committee of Centre of Oncology – Institute, Gliwice branch on its assembly on 5th November 2009 has analysed the supplied application regarding the study “An analysis of the predictive value of selected molecular, immunological and cancer-specific markers in gastric cancer patients and their possible clinical application”.

The Committee has been supplied with the following:

- Study design
- Patient’s written consent and information form
- Commitment to the acquisition of patients’ written consent signed by the researchers

After a discussion and voting the Committee has decided to approve the study.

Prof. Rafał Suwiński withdrew from voting.

Head of the Committee

Prof. Rafał Suwiński, MD, PhD
