Februari 11th, 2016

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 15051-RV.docx) which I have uploaded through the website.

Note: I don't know why, but the Word file on the manuscript page [page (<http://www.wjnet.com/esps/ManuscriptDetail.aspx?id=GOO24lkd4wVByAf5XFkuAQ%3d%3d>) named is (15051-edited.docx) is NOT the revised version of the manuscript (15051-RV.docx).

Title: An accurate diagnosis of Myalgic Encephalomyelitis (ME) and chronic fatigue syndrome (CFS) based upon objective test methods for characteristic symptoms.

Author: Frank Twisk

Name of Journal: World Journal of Methodology

ESPS Manuscript NO: 15051

The manuscript has been improved according to the suggestions of reviewers and editors:

- 1 In response to the remarks of the Editorial Board (15051-edited.docx),  
the Title Page has been adjusted,  
the Figures have been uploaded in Powerpoint format, and  
a file with Core Tips has been uploaded.
- 2 In response to the Comment of Reviewer 41963  
a paragraph Aim has been added after the paragraph Introduction.
- 3 In line with the Comments of Reviewer 69534 (file: Manuscript\_20141105210957 corrected.docx)  
various corrections have been made with regard to the language and phrasing.

Could you please replace 15051-edited.docx by the revised manuscript (15051-RV.docx) at the Baishideng website to avoid confusion?

Thank you again for publishing my manuscript in the World Journal of Methodology.

Sincerely yours,
