

January 5, 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: 15179-review.doc).

**Title:** Chemoprevention of Gastrointestinal Cancers by Natural Honey

**Author:** Mohamed M. M. Abdel-Latif

**Name of Journal:** *World Journal of Pharmacology*

**ESPS Manuscript NO:** 15179

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

A paragraph (pages 4-5) detailing the different types of honey across the countries, efficacy and honey quality has been added to the manuscript. Indeed different types of honey have different composition and subsequently they have different activities and functions. All these differences has discussed in the review.

3- Post code is added in the address.

4 Core tip is included in the review.

5 References were corrected and duplicate references were removed.

Thank you again for publishing our manuscript in the *World Journal of Pharmacology*.

Sincerely yours,

Dr. Mohamed M. M. Abdel-Latif
