

SECOND UNIVERSITY OF NAPLES – SCHOOL OF MEDICINE

Department of Internal and Experimental Medicine "F. Magrassi"

Division of Oncology

Naples, January 2nd 2015

Dear Editor-in-Chief of *World Journal of Gastroenterology*,

Thank you very much for your e-mail informing us that our Editorial ESPS n 15202 titled: 'Treatment of esophagogastric junction carcinoma: an unsolved debate' has been considered for publication upon revision.

Enclosed please find our revised manuscript according to the **Reviewers suggestions**, References and typesetting were corrected. We would like to thank once again the Reviewers for their very important help to ameliorate our paper. The changes made in the manuscript are highlighted in red.

We state:

- 1) the manuscript is an original report;
- 2) the material has not been previously published or submitted elsewhere for publication and will not be sent to
another journal until a decision is made concerning publication by *WJG*
- 3) no Author has any personal conflict of interest;
- 4) the work had no source of outside support for research, including funding, equipment, and drugs.

I hope to hear from you at your earliest convenience.

With best regards

Sincerely,

Dr. Michele Orditura M.D., PhD
Assistant Professor of Oncology
Second University of Naples - School of Medicine
