World Journal of Dermatology
Editor Xiang Li

Dear Editor:

We declare that we participated in the design, execution, and analysis of the paper "X linked recessive ichthyosis: a review" by **Toral-López** and colleagues and that we have seen and approved the final version. We also declare that we have no conflict of interest (financial or non-financial) in connection with this paper, other than any noted in the covering letter to the editor.

The review "X linked recessive ichthyosis: a review" has not been and is not intended to be published anywhere except in **World Journal of Dermatology**.
