**TO WHOM IT MAY CONCERN**

This is to certify that I, a native speaker of the English language, have read and corrected the manuscript entitled "SpyGlass: single-operator choledochoscopy", written by Dr. A. Hoffman.

I state that - as far as I have been able to observe - there are no further grammatical, syntax, spelling, or punctuation errors in this manuscript.

A handwritten signature in blue ink that reads "Sujata Wagner". The signature is fluid and cursive.
