Winnipeg, 21<sup>st</sup> of January 2013

**Language editing**

I am a native speaker of English and work in the biomedical field. I have read and language edited the manuscript entitled „*Asymmetrically hypointense veins on T2\*w imaging and susceptibility-weighted imaging in ischemic stroke*” submitted to the “*World Journal of Radiology*”.

Yours sincerely,

A handwritten signature in blue ink, reading "Harry Ingleby", is written over a horizontal dashed line.
