

The letter of confirmation of service

BIOSTATISTICS STATEMENT

I certify that statistical methods, performed in research paper entitled: "Cardiac Autonomic Dysfunction in Patients with Gastroesophageal Reflux Disease" (corresponding author: Slavica Mutavdzin, tel: +381-11-30-10-773), are adequately and appropriately described when they are used to verify the results.

A handwritten signature in blue ink, appearing to read 'Z. Bizetic', is written over a horizontal line.

Zorana Bizetic, Mast math

Institute for Oncology and
Radiology of Serbia
