**Subject: Proof-reading of manuscript**

Dear Mr/Mrs/Ms,

I am writing here to confirm that I have performed proof-reading of the manuscript entitled "The telaprevir/boceprevir era: from bench to bed and back". As a medical doctor, I have checked both the English language and the content. Undoubtedly, this is an interesting article to the Hepatology field. I believe that the language has reached Grade B.

If any further information required, please feel free to contact me.

Sincerely,

Dr. Pratika Yuhyi Hernanda, MD
