

CONFLICT OF INTEREST STATEMENT

Name of journal: World Journal of Gastroenterology

ESPS Manuscript NO: 16060

I am aware of the contents of a manuscript entitled: “The impact of muscle wasting on survival in patients with liver cirrhosis”, that is to be considered for publication in *World Journal of Gastroenterology*. I hereby certify that, to the best of my knowledge:

1. This manuscript is not currently under consideration, in press or published elsewhere.
2. This manuscript is truthful original work without fabrication, fraud or plagiarism.
3. No financial support or benefits have been received by me, by any member of my immediate family, or any individual or entity with whom or with which I have a significant relationship from any commercial source which is related directly or indirectly to the scientific work which is reported on in the article except as described below. (I understand an example of such support would be a consulting fee, support for research activities or a gift.)
4. Moreover, neither I, nor any member of my immediate family, nor any individual or entity with whom or with which I have a significant relationship has a financial interest in the subject matter discussed in the manuscript. (I understand an example of such a financial interest would be a stock interest in any business entity which is included in the subject matter of the manuscript or which sells a product relating to the subject matter of the manuscript.)

Other financial interests/arrangements irrelevant to the subject of the manuscript:

Dr Triantos has received fees for serving as a speaker for Bristol-Myers Squibb and Gilead.

Dr Kalafateli, Dr Konstantakis and Dr Thomopoulos have no conflicts of interest to declare.
