Thomas Inui
Professor of Medicine
Indiana University School of Medicine

March 9, 2015

Dear Professor Inui,

RE: Review of statistical Methods for the Manuscript titled Lay Perceptions of Breast Cancer in Western Kenya

This letter confirms that the statistical methods of this study ("Lay perceptions of breast cancer in western Kenya") were reviewed by Ann Mwangi PhD and Alfred Keter, MSc from Moi University and Academic Model Providing Access to Healthcare (AMPATH).

Yours sincerely,
