**Reviewer 00028169**

Thanks for the appreciation.

**Reviewer 00504725**

The sentence "Females are more frequently affected by gastroparesis" has been deleted.

**Reviewer 00058210**

- (1) The form of the paper has been improved to make it easier for reading.
- (2) The introduction has been sub-divided into various sub-headings to prevent confusion.
- (3) The diagnostic criteria for gastroparesis have been added under the sub-heading "Pathophysiology and diagnosis of gastroparesis" to support the definition of gastroparesis.
- (4) MEDLINE was used to search the articles and it has been added in the text in paragraph 1 of introduction.
- (5) This is a review of literature and additionally it focuses on the possible use of botox for refractory Gastroparesis. This information has been included in the manuscript.
- (6) Major revision has been done to the paper in terms of its organization and minor changes have been done in the discussion section to allow for a better reading experience.

3 References and typesetting were corrected.

Thank you again for publishing our manuscript in the *World Journal of Gastrointestinal Endoscopy*.

Sincerely yours,
